Dr. Maurice Salama, DMD

“Everyone who joins this course wins tremendously trust in his own abilities - during these 3 days we are placing more the 100 Implants a day covering all cases of modern implantology. **The Course is designed for ALL - from beginners to advanced surgical procedures.**”

VITAE: Dr. Maurice A. Salama completed his undergraduate studies at the State University of New York at Binghamton in 1985, where he received his BS in Biology. Dr. Salama received his DMD from the University of Pennsylvania School of Dental Medicine, where he later received his dual specialty certification in Orthodontics and Periodontics, as well as implant training at the Branemark Center at Penn. He was awarded the George Coslet and Richard Chase Scholarships at the University of Pennsylvania during his post-doctoral studies. Dr. Salama is currently on the faculties of the University of Pennsylvania and the Medical College of Georgia as Clinical Assistant Professor of Periodontics.

Dr. Salama has completed an ADA accredited hospital-based General Practice Residency at Maimonides Medical Center in New York City. In 1988 he had the opportunity to further broaden his clinical horizons through externships at Hebrew University in Jerusalem and Beth Israel Hospital in New York City. His very unique background includes specialized training in Orthodontics, Periodontal Surgery, and Implant Dentistry.

Dr. Salama is an active member in the American Academy of Orthodontics, the American Academy of Periodontics, the Academy of Osseointegration, Alpha Omega International Dental Fraternity, Thomas P. Hinman Dental Society, Georgia Dental Association, and the American Dental Association. He also served as the Dental Expert for Fox (WAGA) TV in Atlanta, Georgia on a weekly basis. The dual nature of his specialty training makes Dr. Salama a frequent author of dental literature, and a sought-after lecturer nationally and internationally.

Howard Gluckman, BDS, MChD, PhD

VITAE: Dr. Gluckman completed his dental training at the university of Witwatersrand in Johannesburg in 1990. After spending a number of years in a general practice he completed a 4-year full time degree in Oral Medicine and Periodontics at the University of Stellenbosch in Cape Town, which he completed with distinction (cum Laude) in 1998. He was intimately involved in the development of the postgraduate diploma in Implantology at both the University of Stellenbosch and later at the University of Western Cape. He is currently in full time private practice in Cape Town He is the director of the Implant and Aesthetic Academy, which is a private post graduate training facility in South Africa currently providing a complete postgraduate training program in Implantology in South Africa. The Academy is accredited by The University of Frankfurt. He has been involved in Implantology training for 18 years.

Dr. Gluckman was the author of a monthly Implantology corner for the South African Dental Journal and is the immediate past president of the South African Society for dental Implantology and on the board of the Southern African Association of Osseointegration (SAAO). He has served as the secretary of the South African society of Periodontics. He has lectured extensively nationally and internationally and is a member of Dentsply/Friadent's Master Speakers Program. He is on the experts panel of the international educational website Dental XP and is on the DentalXP scientific board.

His special interests are immediate placement/immediate load as well as soft tissue aesthetics and periodontal plastic surgery. Autogenous bone augmentation especially bone harvested from the palate and three-dimensional bone augmentation.
